**ORDER:**

In the G.O. first read above, as amended in the G.Os., 4<sup>th</sup> and 5<sup>th</sup> read above, the then Government of Andhra Pradesh launched the “Employees Health Scheme” (EHS) with effect from 05-12-2013, to provide cashless treatment to the employees, pensioners and their dependent family members in empanelled network hospitals for the listed therapies notified in G.O.Ms.No.176 HM&FW (M2) Dept dated 01-11-2013, and this scheme *ipso facto* replaces the existing reimbursement system under APIMA Rules, 1972. In para 4.2.2.1 of the G.O., first read above it is mentioned that Out Patient (O.P) treatment for pre-defined long-term (Chronic) diseases will be provided in notified hospitals and that orders on the modalities and provision of budget to the notified hospitals will be issued separately. In his letter 6<sup>th</sup> read above, the Chief Executive Officer, Aarogyasri Healthcare Trust had submitted proposals for issuing guidelines on ‘chronic OP treatment’.

2. Consequent on reorganization of Andhra Pradesh, Government have reviewed the implementation of the Employees Health Scheme and has decided that out patient treatment for chronic diseases, including consultation, medicines and diagnostics shall be provided in the notified Government Hospitals and the expenditure on this would be met from within 15% of the total estimated annual budget of Rs.220 crores.

3. Accordingly, after careful examination, Government hereby issue the following guidelines for Chronic Out-Patient treatment in notified Government Hospitals:

**3.1. Out-Patient Treatment for Chronic Ailments:**

- Chronic diseases that require OP treatment include those ailments like non communicable diseases (NCDS) such as Diabetes, Hypertension, Coronary Artery diseases, cerebro-vascular diseases, Cancers, Renal failure; communicable diseases such as Tuberculosis, Leprosy, etc., post-surgical, post-traumatic conditions, etc., all of which require longer-term sustained medical treatment.
- For chronic OP Treatment in the Area Hospital / District Hospital / Teaching Hospital, there will be exclusive special clinic for EHS patients from 2. PM to 4 PM on week days .
- During the special clinic time a consultant doctor , Pharmacy , Radiology services and clinical laboratories services along with sample collection will be available.
- A fee of Rs.50/- for broad specialty consultant and Rs.100/- for super specialty consultant will be paid for a every EHS OP case which is seen and registered in the online system.

- Commissioner, of APVVP in case of Area Hospitals / Superintendent of District Hospitals / Superintendent of the Teaching Hospital will provide the needed computer infrastructure, network connectivity and make arrangements for online registration of OP cases. HDS funds, including accruals from Aarogyasri revenues may be utilized for this purpose.
- Drugs will be supplied to the notified hospitals by APMSIDC, as per their indent and in turn APMSIDC will receive the budget from the EHS fund managed by the Aarogyasri Trust.

### **3.2 Yearly medical check-up**

- All the employees above 40 years will be eligible for a free medical check up in any 'notified hospital' once in a year consisting of comprehensive services detailed instructions in this regard are being issued separately .

4. The expenditure towards 'chronic OP treatment', would be met from the EHS budget.

5. This order issues with the concurrence of Finance Department vide their U.O. No. 304/A1/EBS.V/2014, dated.29-10-2014

**ORDER:**

In the G.O., first read above, detailed guidelines have been issued on "Out Patient treatment for chronic ailments", under Employees Health Scheme. In paras 2 &3 of the G.O., it is mentioned that the chronic OP treatment will be provided in "Notified Government Hospitals", and that Chronic OP Treatment comprises of doctor's consultation, pharmacy, Laboratory service, Radiology services and clinical laboratory service in "special clinics" which will be open for EHS patients from 2 PM to 4 PM on week days. It is also mentioned that 'Yearly health check up' will be provided in these notified hospitals for the employees who crossed 40 years of age on 1<sup>st</sup> of August of that year.

2. In his letter 2<sup>nd</sup> read above, the Chief Executive Officer, Aarogyasri Healthcare Trust has informed that all the existing teaching hospitals, which are under the administrative control of Director of Medical Education have facilities to provide OP services for all the chronic OP packages. He has also stated that in the District Hospitals which are under the administrative control of APVVP., 10 district hospitals alone have facilities to provide OP services for all the Chronic OP packages and in the remaining three districts viz: Vizianagaram, Nellore and West Godavari, the District hospitals will have to have tie -up with private hospitals for certain Chronic OP packages. He has also furnished the list of "Notified Government hospitals" where OP treatment for chronic diseases will be provided, and the private hospitals with which District hospitals of Vizianagaram, Nellore and West Godavari will have a tie-up for providing the facilities. **The list is Annexed to this Order.**

3. After careful examination, Government hereby declare the Government Hospitals included in the Annexure, as "Notified Hospitals" for providing OP treatment for Chronic diseases / yearly health check up under Employees Health Scheme. The Chief Executive Officer, Aarogyasri Healthcare Trust shall display the list in EHS-web portal for the benefit of the employees, pensioners and their dependent family members.

Dr.YSRAHCT/EHS/ 03 /2021, dated:25/02/2021

Sub: Dr.YSRAHCT – EHS – Chronic OP services – Change in timings – Reg.

Ref: 1) G.O. MS. No. 150, HM & FW (I.1) Dept., Dated 04.12.2014.

2) Minutes of meeting of CEO's Video Conference with Medical Superintendents & DCs on 09.02.2021.

In the G.O., reference 1<sup>st</sup> cited above, detailed guidelines have been issued on "Outpatient treatment for chronic ailments", under Employees Health Scheme. It is mentioned that the chronic OP treatment will be provided in "Notified Government Hospitals", and that Chronic OP Treatment comprises of doctor's consultation, pharmacy, Laboratory service, Radiology services and clinical laboratory service in "special clinics" which will be open for EHS patients from 2 PM to 4 PM on week days.

In this regard, Employees Associations repeatedly requested to change the Chronic OP timings to 10 AM to 1 PM to have their diagnosis reports on the same day.

Hence, vide reference 2<sup>nd</sup> cited, Chronic OP timings has been changed to 10 AM to 1PM by taking into the consideration of patient comfort to get their diagnosis reports on the same day and the availability of doctors for all specialities. So, all the superintendents of Notified Government Hospitals are requested to maintain the Chronic OP timings from **10 AM to 1 PM on week days** with immediate effect.
